The Leader in Drying Solutions!

Paxton Products, the leader in Drying Solutions, offers a 100% Performance Guarantee for any Paxton Air Delivery System designed, assembled, balanced and approved by Paxton.

Paxton will either remedy the performance or fully refund the price of the entire system.

IT PERFORMS AS DESIGNED OR WE'LL MAKE IT RIGHT

TERMS:

Paxton Products and ITW Air Management guarantee the performance of their Air Delivery Systems for drying and blow-off in accordance with the following terms. The system must be designed by Paxton engineers, and installed and operated in accordance with the specifications provided by Paxton Products for the guarantee to apply.

COMPREHENSIVE GUARANTEE:

Should the Paxton designed system not perform to the expectations and performance standards agreed to by both Paxton and the customer, as specified on the Quick Quote form, the customer must notify Paxton by letter, fax or e-mail within 60 calendar days from the date the system was invoiced by Paxton to the customer.

Upon notification, Paxton reserves the right to verify, assess, evaluate and rectify the situation. In the event that the lack of performance is a result of the system design or equipment failure or malfunction, Paxton will either remedy the performance or fully refund the price of the entire system. In the case of refund, Customer will return the system to Paxton, shipping paid by Paxton.

In the event that the Customer provided Paxton with inaccurate information regarding key application elements and/or parameters at the time the system was being designed, or the customer has altered or changed the application since the original system design, or the customer has not installed, operated or maintained the system in accordance with the specification provided by Paxton Products, the Performance Guarantee becomes null and void.
